

Staff Offices are located across various floors of the building. Not all offices are the same size or offer the same configuration but as a guide in each office you will find the following furniture types and similar joinery. Fixed Joinery runs on the length of one wall which can feature a mixture of cabinets and open shelves, or alternatively cabinetry as pictured.

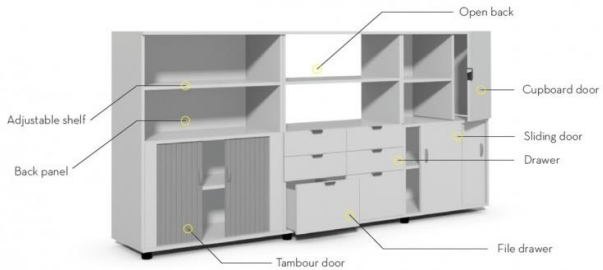

Task Chair

Workstation desk with a return
(not pictured)

2 drawer pedestal

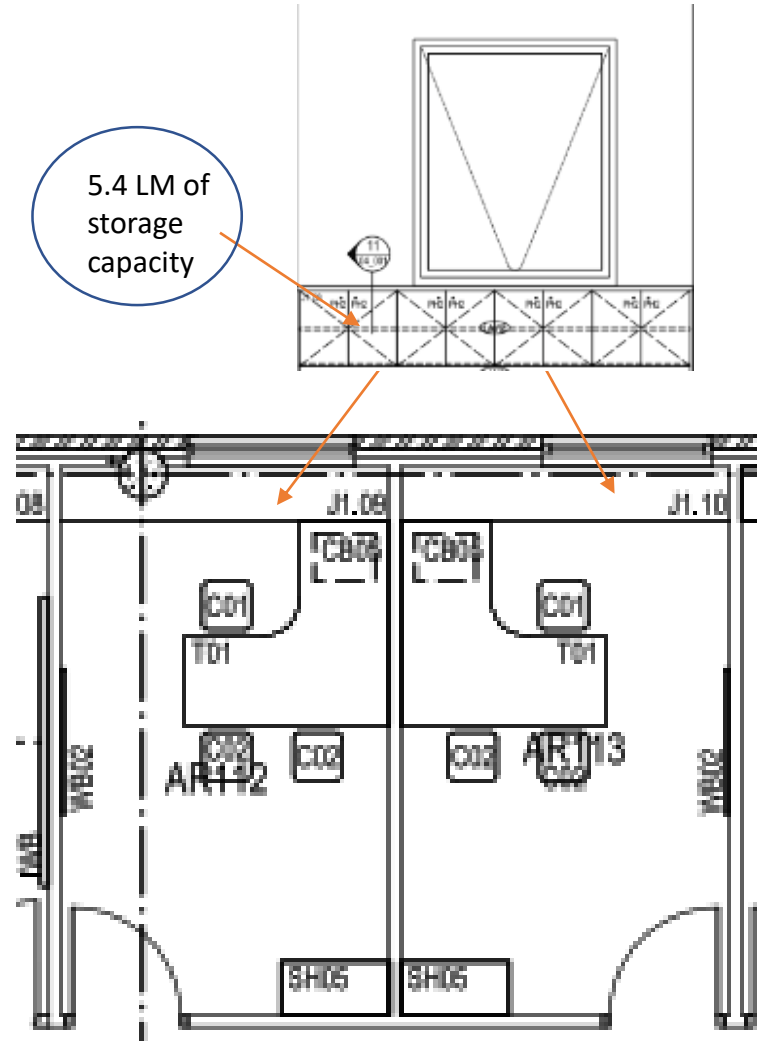

Modular storage system (a smaller version of the above)

Penrite Porcelain Whiteboard

Visitor Chair x 2

Typical Office
